

Can I cancel the report I selected to run?

Yes, you again, there are actually 2 ways of cancelling a report:

Method

1. You are able to **cancel** a report from the **Data Out** window if the **Cancel** button is **active**

OR

2. **Right** click on the **process monitor** at the bottom of the **Report Manager** window
3. Select **Cancel (End Task)**

4. Select **Yes**
