

Alchemex add-ins missing from the toolbar in Excel

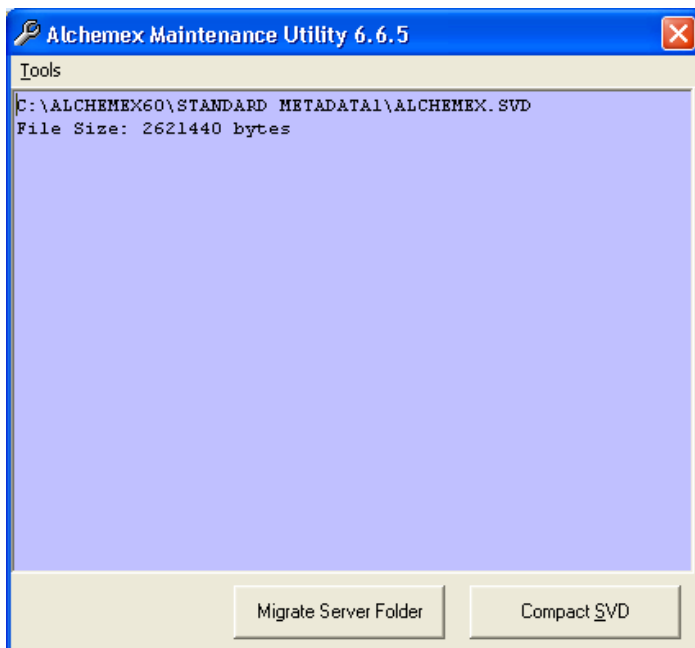

At times after running an Excel upgrade, the add-in Report Tools option on the Excel toolbar might be missing in Excel.

To Retrieve:

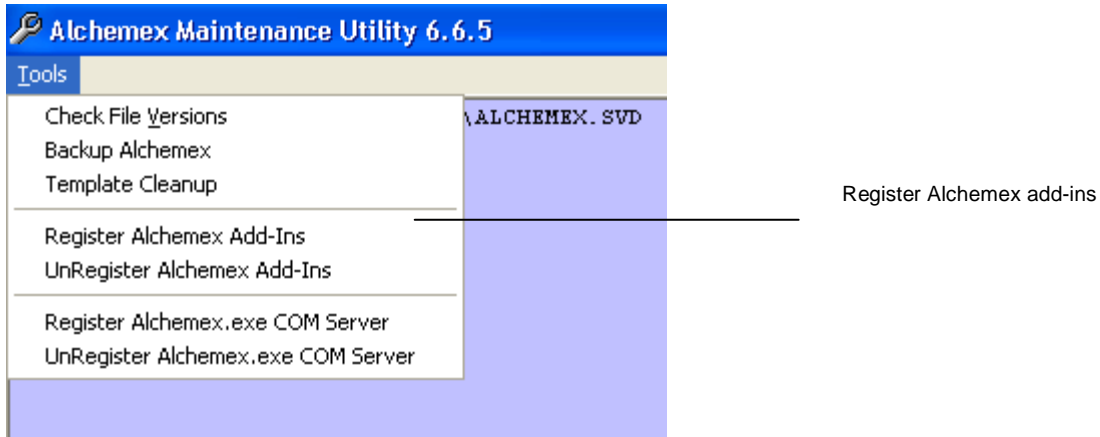

1. Make sure the Excel is closed
2. From the Start menu, Navigate to Alchemex 60, then select Maintenance Utility

3. The following screen will appear:

4. Select Tools, select Register Alchemex Add-ins

5. Now re-launch Excel and the add-in Report Tools option will be available again.
